OPTIONS

Based on the report selected, you may have some additional options, which include the following:

If you want to filter the report for one Hotel only, check the box to the left of Filter by Hotel? and select the hotel from the drop down list in that field.

If you want to filter for one Company only, check the box to the left of One Company Only, and select the company from the drop down list in that field. The company is the one entered in the acknowledgement contact's information on the Reservation screen.

If you want to filter the report to show reservations entered into the system by one system user (staff member), check the One User Only box and select the persons name from the drop down list. See Edit Other Lists to add to or edit the list of staff members.

Other Housing Reports – Reservation Listing

These reports show information about all of the reservations for the selected meeting. From the Housing reports menu, select Other Housing Reports and then the Reservation Listing button.

There are six types of Reservation Listing Reports.
